This is an appeal from a December 5, 1990, decision of the Sacramento Area Director, Bureau of Indian Affairs, concerning a delay in determinations of eligibility of certain individuals for inclusion on the Hoopa-Yurok settlement roll. The Area Director's decision requested the Assistant Secretary - Indian Affairs to obtain a review of a June 9, 1989, opinion of the Associate Solicitor for Indian Affairs and stated that eligibility determinations for the affected individuals would be delayed pending a response.

On March 26, 1991, the Board received from the parties a stipulation for dismissal of this appeal. The parties state that the Hoopa-Yurok settlement roll was published on March 21, 1991, 56 FR 12062. They therefore request that the issue in this appeal concerning a delay in eligibility determinations be dismissed as moot and that all other issues be dismissed without prejudice.

Pursuant to the authority delegated to the Board of Indian Appeals by the Secretary of the Interior, 43 CFR 4.1, this appeal is dismissed in accordance with the request of the parties.
